SHUBHAM BHATT

shubham2003bhatt@gmail.com | https://linktr.ee/sh0bhm
+33673610908 | Paris, France

EDUCATION

- **Université Paris-Saclay- Orsay, France**
  Master of Science in Human-Computer Interaction 2025-Present (**IDEX Scholarship Laureate**)
  - *Erasmus+ Exchange:*
    Ludwig-Maximilians-Universität München (LMU), Germany **Oct 2026 - Present**

- **KIET Group of Institutions (AKTU) - Delhi – NCR, India**
  Bachelor of Technology in Computer Science (AI & ML) 2021 – 2025 (**CGPA 8.75/10** | **Rank - 2nd in Dept.**)

- **Ahlcon Public School- Delhi, India**
  12th Grade (CBSE) 2021 (**91.2%** | Vice President, Art Club)

WORK EXPERIENCE

EX) Situ, INRIA - Paris, France **May 2026 – Present**

- **Role - Design Research Intern (supervised by Prof. Wendy Mackay)**
- Applied Generative Theories of Interaction to analyse and redesign UX for *La Suite Numérique*, an open-source collaboration platform developed by the French government
- The proposed redesign presented a temporal tool for managing workflows, cross-workspace structuring and data transfer as well as workspace personalization
- Designed a granular access-control concept enabling users to restrict or extend access within collaborative documents
- Developed rapid paper and high-fidelity prototypes to showcase our design ideas for generative walkthroughs

Wobot AI- Delhi, India **Mar – Jun 2025**

- **Role – Computer Vision Intern**
- Finetuned Yolov6 models on datasets to improve performance on specific use cases like vehicle identification and person detection
- Worked on extensive data transformation, cleaning, organization, and pre-processing to make datasets suitable for training

Shorthills AI, Gurugram, India **Jul – Aug 2024**

- **Role – LLM Intern**
- Created an EdTech web application utilizing Generative AI, LLMs, NLP and RAG to make the learning process of students faster and efficient

Innovation Center - Mosaic UI/UX – Club Member **Nov 2022 – Apr 2024**

- Conducted workshops on UI and UX design for over 50 students, focusing on design fundamentals like contrast, scale & proportion, color theory, typography etc.
- Introduced tools like Adobe Photoshop, Illustrator, Figma and Canva to the new members of the club

SKILLS

- Figma | Adobe Illustrator | Unity (VR, AR) | CAD Design | Fusion 360 |
- Prototyping (Paper/ Video) | User studies | User Interviews | Experimental Design | 3D Printing | Storyboarding |
- HTML | CSS | JavaScript | Python (TensorFlow, Computer Vision, Hugging Face, Pandas, Seaborn, Matplotlib, NLP, RAG systems) | SQL |

RESEARCH/ THESIS

Silent Sentences: Indian Sign Language Translation Beyond Gesture Recognition **2025**

- Bachelor's Thesis | KIET Group of Institutions
- Proposed *Pseudo Continuous Sign Language Recognition (PCSLR)*, a novel pipeline for sentence-level translation of Indian Sign Language using isolated sign recognition

VOLUNTEERING

SADAY SADEV (NGO), Delhi – Project Dhairya **Feb 2024 – Feb 2025**

- "Awareness Walks" in Delhi aiming to spread awareness regarding importance of mental health
- Collaborated with *Ummeed Foundation* to conduct fun and educational activities for underprivileged children

LANGUAGES

- English (TOEFL iBT - 102) | Hindi (Native) | Japanese (N5 Proficiency)
